# STAINLESS STEEL POWDER COATING OVEN

# LAUNCH SA

YOUR 1 STOP WORKSHOP SUPPLIER

### QUALITY MATERIAL

HIGH-GRADE STAINLESS STEEL CONSTRUCTION.  
CORROSION-RESISTANT AND LONG-LASTING.  
MAINTAINS A SLEEK AND POLISHED APPEARANCE.

### DURABLE

BUILT TO WITHSTAND HEAVY USE AND HARSH CONDITIONS.  
RESISTANT TO WEAR AND TEAR.  
ENSURES A LONG PRODUCT LIFESPAN.

### PRECISION MACHINING

UTILIZES ADVANCED MACHINING TECHNIQUES FOR PRECISION.  
CONSISTENT AND ACCURATE MANUFACTURING PROCESSES.  
GUARANTEES TIGHT TOLERANCES AND RELIABLE PERFORMANCE.

### HUMANIZED DESIGN

DESIGNED WITH USER COMFORT AND CONVENIENCE IN MIND.  
ERGONOMIC FEATURES FOR EASE OF USE.  
INTUITIVE AND USER-FRIENDLY DESIGN ELEMENTS.

### PROFESSIONAL LEVEL

TAILORED TO MEET SPECIFIC CUSTOMER NEEDS AND PREFERENCES.  
OFFERS A WIDE RANGE OF CUSTOMIZABLE OPTIONS.  
EXPERT CRAFTSMANSHIP TO CREATE UNIQUE SOLUTIONS.

### SPECIFICATIONS

VOLTAGE: 380V  
POWER: 9KW  
TIMING: 1-999MIN  
LOAD GRID: 4 BLOCK  
INTERNAL SIZE:  
1480x800x800  
NET WEIGHT: 280kg

FREQUENCY: 50HZ  
TEMP CONTROL : 10 - 250c  
CELL HEIGHT: 320MM  
EXTERNAL SIZE:  
1780x1070x1060  
GROSS WEIGHT: 300kg

## ADVANTAGES

### STAINLESS STEEL TANK

Mirror finish stainless steel is more beautiful and more corrosion resistant than ordinary stainless steel

### INTELLIGENT TEMPERATURE CONTROL PANEL

Intelligent control panel can preset temperature and heating time, convenient operation, more accurate data results.

### HIGH QUALITY CARBON STEEL COLD ROLLED SHEET

Outer wall is made of excellent 1.2mm DC01 carbon steel cold rolled sheet, with excellent material, easy to care for and anti corrosive

### FASTENED DOOR LOCK

Fastened door Lock creates perfect vacuum seal to ensure particulants, and heat stay inside the unit during operation
