

LAUNCH TECHNOLOGIES SA PTY LTD

#1 SELLER OF WORKSHOP EQUIPMENT IN SOUTH AFRICA

Vehicle Lift

THINKCAR TVL342

PRODUCT FEATURES

The Thinkcar TVL342 2 Post Lift is a manual high-performance lifting solution designed for workshops that need strength, space efficiency, and advanced safety. This Thinkcar TVL342 2 post lift features a clear-floor design, making it ideal for modern workshop layouts where unobstructed movement is key. With a 4.2-ton lifting capacity, it's built to handle passenger vehicles and light commercial applications with ease, while maintaining smooth and reliable operation.

- Electric unlocking, combined with mechanical safety device to form a double insurance mechanism.
- The lifting weight can reach 4500KG, suitable for various types of vehicles.
- The oil pipe has better pressure resistance, and the inner diameter 8mm
- double steel wire braid has a pressure resistance of 48pa.
- Imported explosion-proof throttle valve to prevent the oil pipe from aging and rupture, and avoid the joint from falling off to avoid injure the personnel.
- Double limit switch to ensure that the roof will not be hit.
- Passed 120% dynamic loading test and 150% static loading test.
- The Hip lock force past 180KG test, reliable and safety.
- Original imported hydraulic cylinder oil seal, good sealing.

SPECIFICATION

Rated Load	4200kg
Lifting Height	1920mm
Initial Height	95mm
Lifting Height	3892mm
Post Distance	2850mm
Short Arm	740mm~1150mm
Long Arm	890mm~1390mm
Lift Time	≤50s
Lowering Time	≤30s
Power	2.2kw
Net Weight/Gross	685kg/700kg
Weight	
Voltage	220V/380V
Drive Mode	Electro-Hydraulic
Hydraulic Oil	9L, Winter: N32# Summer: N46#
Working Temperature	-10℃~50℃
Packing Size	Main Unit : 3850*530*740mm
	Pumping Station: 825*245*
	310mm
